

## **Project Congo**

**Bringing Health and Hope to victims of Conflict in the Congo**

**P.O. Box 46**

**Germantown, Ohio 45327**

**[www.projectcongo.org](http://www.projectcongo.org)**

**Let your surplus and used medical supplies keep on helping others!**

**Project Congo is a locally based charity working to send medical equipment, supplies and medications to the war torn areas of the Democratic Republic of Congo.**

**We routinely ship and carry over critical life saving supplies to our partner facilities serving the refugee population in the eastern Congo. Over the last two year we have shipped tons of surplus equipment from the United States, much of which would have been discarded.**

**Some items more suitable to use in the United States are donated to Caring Partners for distribution to local people in Southwest Ohio who cannot afford medical care.**

**Please contact us if you have supplies to donate:**

**Email: [sylviagleason@projectcongo.org](mailto:sylviagleason@projectcongo.org) Tel: 937-8353073**

***Pick up can be arranged***
